PROFILE

I'm currently in my 4th year of college. I went to GFIS from Grade 7 all the way to Grade 12, so I've basically been in school forever at this point. I like reading, especially really long books, and I can easily get lost in a good story for hours. Right now, I'm just trying to survive my last year of college and hopefully make it to graduation in one piece.

CERTIFICATIONS

July 10, 2026

CyberOps Associate
